

Rosemerryn Bowl Tournament Report

Milford on Sea Tennis Club's annual Rosemerryn Bowl scheduled to take place in December 2017 fell foul of the weather, with gale force winds preventing a ball being hit in anger and forcing a postponement.

Luckily, there were no weather issues when the tournament finally got underway in February with 12 members battling it out for top honours in bright, sunny conditions. The American mixed doubles format required the six men and six women to change partners every round and take on a new pair each time.

Matches proved to be very competitive with both the ladies and men's title being decided by just one game. After two and a half hours tennis, Val Sparkes emerged victorious for the women, ahead of Marcia Horne in second with Terry Kirkpatrick lifting the men's trophy closely followed by runner-up Roger Thatcher.
