New Member Representative – Tennis

Purpose of the Role

To welcome and integrate new adult playing members into the club, ensuring they feel informed, included and confident from the outset.

Key Responsibilities

1. Make contact with new adult playing members and arrange an induction meeting at the club.
2. Deliver a structured induction process, ensuring new members understand how to make the most of their membership.
3. Introduce new members to players of a similar standard to help them build confidence and establish regular playing opportunities.
4. Introduce new members to the Clubs WhatsApp Community.
5. Promote new member events and support the Head Coach (Dan) at said events.

Scope of the Role

The Membership Engagement Representative plays a key role in helping new members feel welcomed, connected and part of the club community from the start.
